Also, just listened to your VM. You are right about Amherst, if their other facilities are not in urbanized area they don't have to worry about them for permit compliance

Newt –

I was thinking . . . would you mind taking the lead for presenting Wednesday?

If not, that's OK . . . but I could use that presentation/time to get better prepared.

Also, is there any way you can send me the slides? Without them, I'll be DOA ☺

Thanks

Fred
